PURPOSE

The purpose of this policy is to explain to the Marnebek School community how our school will approach disputes that may arise between parents in relation to decisions about a student's education.

SCOPE

Marnebek School acknowledges and welcomes all family structures and parenting arrangements, including single parents, step-parents, same-sex parents, co-parents and informal carers. We also recognise that parents and carers play an invaluable role in a child's learning and wellbeing by being actively involved in school life.

While acknowledging that a range of people may be involved in providing care for students at our school, this policy only relates to disputes between a student's parents or persons with parental responsibility under a court order.

Informal Carers

Marnebek School understands that there may be families in our school community where students are being cared for by a relative or other adult, rather than their parents.

In these circumstances, in order to allow these carers to work with Marnebek School and make decisions about the student's education, we may ask carers to complete an Informal Carer Statutory Declaration Form. This is a written statement that sets out the care arrangements for the child.

Generally, an informal carer who has provided the school with a completed Informal Carer Statutory Declaration may make school-based decisions for the student and may access school information ordinarily provided to a parent.

POLICY

Decision-making and parental responsibility

Parental responsibility is defined as all of the duties, powers, responsibilities and authority, which, by law, parents have in relation to their children. Each parent of a child under 18 years

of age has parental responsibility for his or her child unless this responsibility is varied by a court order or parenting plan.

When a decision relates to a major long-term issue for a student, Marnebek School will generally seek to approach both parents, or those who have parental responsibility, in relation to that decision (where those parents are known to and are in contact with the school).

For day-to-day decisions, Marnebek School will generally approach the person with whom the student is living with or residing with on that day.

Parents can find more guidance on how the school will manage decision making for students in the Department's policy on ['Decision Making Responsibilities for Students'](#)

Family Law Act Orders and Care Arrangements

Parents are responsible for providing Marnebek School with up-to-date information and documentation relating to:

1. Family Law Act Orders
2. parenting plans
3. informal arrangements that are in place in respect of students our school

It is not the responsibility of school staff to monitor or to enforce Family Law Act Orders (or other parenting or care arrangements) for students.

Intervention Orders

Marnebek School understands that some families may have Family Violence Intervention Orders in place.

Parents are responsible for providing Marnebek School with up to date information and documentation relating to Intervention Orders and should contact the Assistant Principal for Student Wellbeing to discuss how staff can best support students in these circumstances. Should your Intervention Order be changed or varied, it is important that you inform the Assistant Principal for Student Wellbeing and provide any updated documentation.

Department policy states that breaches of Intervention Orders should be reported to Victoria Police.

Enrolment and transfer

If parents who have equal shared parental responsibility disagree on the decision to enrol a student, Marnebek School may:

4. defer admission and request that parents resolve their dispute and reach an agreement, or
5. if failure to enrol the child or young person is likely to have an adverse effect on their education and wellbeing, Marnebek School may conditionally enrol the student and encourage the parents to resolve their dispute and reach an agreement.

Collection

Marnebek School understands that Family Law Act Orders or parenting plans will often include arrangements about which parent is to spend time with the children, and when.

Generally, providing that both parents have shared parental responsibility, parents can collect their children from school. Whilst Marnebek School encourages parents to abide by Family Law Act Orders, school staff are not responsible for enforcing them.

If a dispute between parents over the collection of a student happens at Marnebek School, generally, we will:

6. encourage the parents to resolve their dispute away from school
7. encourage to parents to ensure the child's attendance at school is not compromised as a result of the dispute over collection
8. where appropriate, move the student to a safe place away from the dispute
9. ask the disputing parties to leave the school grounds if the dispute is causing disruption or concern to the child or any other members of the school community
10. if the dispute cannot be resolved, Marnebek School may contact Victoria Police and/or Child Protection.

Requests for information

Parents are generally entitled to information ordinarily provided to parents, including school reports and newsletters.

Parents seeking information that is not ordinarily provided to parents are encouraged to apply for access through the Freedom of Information process, or, if the information is sought for use in court proceedings, by issuing a subpoena.

Freedom of Information requests should be directed

Managing Disputes

Whenever faced with a dispute between persons who are responsible for decision-making in relation to a child, staff at Marnebek School will seek to:

11. avoid becoming involved
12. avoid attempting to determine the dispute
13. act neutrally and not adopt sides
14. act in the best interests of the student involved
15. act in the best interests of the school community

Marnebek School encourages parents and carers to seek the assistance of the Family Relationship Centre or obtain independent legal advice if they are unable to reach an agreement about important decisions.
