PURPOSE

To explain to Marnebek School's policy in relation to student accident, ambulance and property insurance and to ensure that special or valuable items of personal property are not brought to school.

POLICY

Personal Property

Marnebek School understands that staff and/or students may sometimes like to bring items of personal property to school.

Marnebek School does not take responsibility for items of personal property that are lost, stolen or damaged at school or during school activities. Damage to personal property brought to school is the responsibility of the owner of that property. This can include mobile phones, calculators, toys, sporting equipment and cars parked on school premises.

The Department does not hold insurance for personal property brought to schools and has no capacity to pay for any loss or damage to such property. Students and staff are discouraged from bringing any unnecessary or particularly valuable items to school.

Student Accident Insurance and Ambulance Cover Arrangements

Parents are reminded that the Department does not provide personal accident insurance or ambulance cover for students.

Parents and guardians of students who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs.

Marnebek School encourages parents and carers to consider obtaining their own accident insurance for students.
